Let me introduce myself. My name is Megan Stevens. I am enthusiastic about creating and providing differentiated approaches to instructional design to support all learners, involving a variety of technology, to reach desired outcomes and evaluate their effectiveness. With my Instructional and Administrative Specialist degrees with a Masters in Educational Leadership, I can provide an intricate role in developing instructional training systems. As an Instructional Designer, I am committed to providing engaging and personalized learning materials to help you achieve your goals. Whether you are a novice or an expert, my approach will provide the guidance and support you need to succeed. Contact me today to learn more about how I can help you.

Please refer to my Portfolio for more information about myself, my resume and instructional design project samples. I can be reached anytime via email at [stevens.meganr@gmail.com](mailto:stevens.meganr@gmail.com) or by phone, (209)480-0907. Thank you for your time and consideration. I look forward to speaking with you about an employment opportunity.

Sincerely,

Megan R. Stevens
